“Project and Contract Management under 1999/2017 FIDIC Conditions of Contract (Construction/Design-Build)”

OVERVIEW

The training course is designed to provide practical guidance to those who are involved in managing or administration of projects where use of FIDIC forms of contracts is required. The course covers management disciplines and procedures in the Pre-Contract phase of the project including the FIDIC Client Consultant Service Agreement and selection of the appropriate FIDIC form of contract. The course also covers the post Contract award phase including all contract management disciplines and claim management issues.

It is suitable for all the Parties involved with a new FIDIC Contract – the Employer, the Project Manager, the Contractor, the Engineer, and the DAB Members. By having a good understanding of the FIDIC risk allocation policy and the resulting responsibilities and rights of the Parties under a 1999/2017 FIDIC Contracts, a more efficient management of the project may be achieved. The tutors of the course are a very experienced German engineer, experienced Irish engineer and a German lawyer, who have had extensive worldwide involvement with management of projects and related dispute resolution.

SEMINAR TUTORS:

The tutors are provided by Nestor Bildungsinstitut GmbH in collaboration with FIDIC. Nestor specializes in training and management in particular in the consultancy to international construction and infrastructure industries. The Nestor tutors have provided over 100 training courses worldwide in the last 2 years on the use of FIDIC documents. All of the Nestor trainers have been involved in the FIDIC updates, 2nd Edition 2017.

Tutors: Dipl.-Ing., Dipl.-Wirt-Ing. Axel-Volkmar Jaeger (past Chairman FIDIC Contracts Committee and past member of the FIDIC Executive Committee), Dr. Götz-Sebastian Hök (Lawyer, Arbitrator and FIDIC listed Adjudicator) and Siobhan Fahey (Contracts Committee Member, Task Group Chair) and Dipl.-Ing. Robert Werth.

COURSE MATERIALS

All delegates will be provided the following materials, in English:

- FIDIC Conditions of Contract for Construction, 1st Edition 1999
